STUDENT INVOLVEMENT

A MESSAGE FROM US TO YOU

Welcome Shockers!

Student Involvement is excited to have you join us for the 2020-2021 academic year. As we begin the fall semester, we acknowledge that this year will continue to be different than what you may have anticipated. Please know that Student Involvement is still here for you. We are working to provide you many opportunities to connect with other students, whether in person or virtually, in order to enhance your personal and professional development. We know that for many, the full college experience is about connecting with others and experiencing activities and programs outside the classroom. We are committed to living out our mission of creating a vibrant campus culture that enhances your journey as a Shocker.
